Help Your Teens Take Control of the Screens in Their Lives

Eight out of ten pastors tell us that rising screen time among young people is a problem. But only 14 percent of those same leaders have a plan for helping young Christians use technology more intelligently.

That's why we're excited to announce [My Tech-Wise Life](#)—a new book written by Amy Crouch and her father, Andy Crouch.

While most of her peers were obsessed with their iPhones and glued to streaming TV, 19-year-old Amy Crouch was growing up with minimal technology.

In [My Tech-Wise Life](#), she shares how the intentional use of modern devices has helped her avoid negative experiences her peers have endured—and cultivate positive experiences in the real world.

The book features new Barna data, and—because of the timeliness of this topic—we truly believe it's a must-read for leaders.

**A BOOK RECOMMENDATION
FROM BARNAGROUP**

While we are taking a break from our regular Wednesday meeting after this week, our GraceYouth Sunday mornings will not change. Katalambano, Book club, (and a possible something new for our High School students is in the works) will continue as usual.

FOR PARENTS
OF PRESCHOOL-AGED KIDS

BREAKING NEWS

Hey, parents! Here's a look at what we're covering with your kids so you can help them continue to grow at home during the week.

GROW AT HOME | WEEK 4

THIS WEEK

This week, kids hear **breaking news from the prophet Ezekiel** who had a warning for false leaders who led God's sheep – people – in the wrong directions.

- **THE BIBLE:** Ezekiel 34:11-16, 20-24
- **THE BIG IDEA:** When I am lost, God guides me.

ASK THIS

Because sometimes you and your kid need a conversation-starter that isn't, "So . . . how was church?"

- **How were the leaders in the story being poor shepherds?**

REMEMBER THIS

This month, your kids are memorizing the Bible verse **1 Corinthians 16:13 (NIV)**, in case you want to work on this together.

NEXT WEEK

Next week, kids discover **breaking news from the prophet Isaiah** who reminded everyone that God has never changed even though people have turned away from God.
