Katalambano (middle school Bible class) meets upstairs after the worship set every Sunday except the last Sunday of the month.

'**katalambano**' is translated “comprehend.” It is a Greek word that means to get a hold of spiritual understanding. It also means getting a hold of spiritual realities. Getting a hold of a truth in the Word of God Sometimes also translated as:

- to lay hold of
- to lay hold of so as to make one's own, to obtain, attain to, to make one's own, to take into one's self, appropriate
- to seize upon, take possession of
- to lay hold of with the mind
- to understand, perceive, learn, comprehend

What a perfect description for a Sunday school class!

JANUARY SUNDAY SERIES

SERIES OVERVIEW:

"If only we could really get to know the people behind our favorite YouTube channels! The ability to "subscribe now" gives people the impression that connection is that easy. But connection takes a bit more effort, it takes following and learning from those we want to know. Kids look for places of belonging, places where forgiveness exists, places where they can experience a genuine connection. The Gospels teach us that places like these exist. In these stories kids learn that **we can know God through Jesus, we can know forgiveness because of Jesus, that Jesus knows us and wants us to follow him. The message of Jesus is powerful** and something we can subscribe to!"
