GRACE COMMUNITY newsletter

GRACE BUILDS

We are working on putting together a program that is unofficially called "GraceBuilds." It will be a program that is aiming at helping people in our community with home repair projects, such as damaged plumbing, floors, etc. We are still working out the details, but I would like to begin by putting together a list of resources that our church has available. If you are a willing worker, or have access to tools that may be needed for various projects, there will be a sign up sheet in the lobby.

I will also be offering a Wednesday night class, where we will be going thru a video series by Craig Groeschel, called "Winning the War in your Mind." There will also be a sign up sheet for this, if you are interested.
